

I-SPY 2 ADVOCATE WEBSITE

An innovative approach to rapidly identify promising new agents and the patients who are most likely to benefit from them

This website is meant to provide access to I-SPY 2 documents for interested advocates, particularly those supporting the trial. For information about getting involved, please contact Jane Perlmutter at janep@gemini-grp.com.

Click on the following links to download the relevant documents. Many of these are in draft form; please send your questions and/or input to Jane Perlmutter at janep@gemini-grp.com. Topics that are not hotlinked are planned but not yet available.
