

# I-SPY2 ADVOCATE WEBSITE

An innovative approach to rapidly identify promising new agents and the patients who are most likely to benefit from them

This website is meant to provide access to I-SPY2 documents for interested advocates, particularly those supporting the trial. For information about getting involved, please contact Jane Perlmutter at [janep@gemini-grp.com](mailto:janep@gemini-grp.com).

Click on the following links to download the relevant documents. Many of these are in draft form; please send your questions and/or input to Jane Perlmutter at [janep@gemini-grp.com](mailto:janep@gemini-grp.com). Topics that are not hotlinked are planned but not yet available.
